Family Note: Your child is learning that the Mass sends us out to continue Jesus' mission of service and to spread the good news. If you wish, you can do this activity for one day or for several days, adding your family's good news daily.

Catechist Note: Use this activity page with Chapter 7, "Serving Others." Either help the children fill out the newspaper individually, or display a large Good News Newspaper and keep an ongoing record of the good news in your classroom.
