# A Love Coupon

Jesus shows us how to love. Write the name of someone special in the love coupon below. Cut it out. Give the love coupon to that special person.

The coupon is a rectangular box with a decorative border of small hearts. Inside the box, there are four larger heart shapes, one in each corner. In the center, there is a horizontal line followed by a comma, and the text "I love you!" and "When you need help, ask me!"

\_\_\_\_\_ ,  
I love you!  
When you need help, ask me!

**Family Note:** Your child is learning to make the Gospel message of love a part of his or her life. Before you begin the activity, perhaps during a meal, your family could talk about how Jesus showed love and how your family serves others like Jesus did. If you wish, your family could make copies of the love coupon and extend this activity.

**Catechist Note:** Use this activity with Chapter 1, "God's Love." Encourage the children to think carefully about to whom they'll give the coupons. You may wish to give them several coupons to share with others.
