# Welcome!

The Sacrament of Reconciliation begins with a greeting. Decorate the poster with signs of welcome. (You can use other words of greeting, too.) Hang your poster in a special place to welcome people into your home.

**Family Note:** Your child is learning that the Sacrament of Reconciliation begins with a greeting, as a way of "welcoming us home" to God's family. If your child completes this activity page at home, provide art materials and help him or her think of good signs and words of welcome. Encourage your child to display the poster when guests come to visit.

**Catechist Note:** Use this activity page with Chapter 5, "Returning to Love." Provide art materials and help the children think of appropriate words and symbols to incorporate into their designs. Encourage them to take their completed posters home to be displayed.
